

MUSIC IN HOSPITALS

Creating joy through live music

*Invites you to
Friends for Dinner'*

As a valued supporter we're keen to share a terrific new idea with you!

It's called 'Friends For Dinner' and is all about helping you to raise money for Music in Hospitals simply by doing something you enjoy - having your friends round for dinner.

How does it work? Just go to www.dinner4good.com/musicinhospitals and you'll see it couldn't be easier to host a dinner.

If you want to do the dinner organisation online you can create your personalised Dinner Page and send invitations from the Dinner4Good site (takes about 5 minutes). Your guests then accept and donate online, which means you can see who's coming, and how much is being raised, in a click. There's no embarrassment over having to ask for money, and no hassle with collection. Dinner4Good takes care of everything, including the Gift Aid declaration - so all you have to do is hold the dinner, eat, drink and enjoy yourselves!

Alternatively you may prefer to organise everything without the help of modern technology! All you will need to do is ask your friends to make a donation to Music in Hospitals and sign a Gift Aid declaration form (we will supply forms for you on request). The donations and declaration forms are sent to the Music in Hospitals office following your dinner party.

The other great thing is that you can tell your friends a bit more about the cause they've donated to and they might also want to hold a 'Friends For Dinner' event of their own. The Music in Hospitals team has lots of literature available for you to share with your friends including a short 5 minute DVD highlighting our work. Please contact Miranda in the MiH office with any questions on 01932 260810 or info@musicinhospitals.org.uk
